I’ve been looking for something to start my day off on a positive note and this is the perfect calendar. Each day has a different quote and I’m looking forward to starting the new year off right to use it!2017 Inspire Daily Desktop Calendar

Gave this to the WORST BOSS ON THE PALNET EARTH so he could pretend to care about employees and send out meaningful text messages. He has the vocabulary of a 4th grader so no one was fooled by this.

My boss loves this inspirational calendar. And who doesn't like to be the direct report who gave the inspiring calendar quotes!

Liked the quotes. Seem to be thoughtful and mindful.

I love this calendar! I have it on my desk at work-keeps me inspired!

I've bought this calendar for my friends for the past couple of years and they love the daily messages. They post them around their house and office.

The quotes in the calendar are very nice, and the font is clear and easy the read. The colors are pleasant and the pictures are fun.

I bough this for my mom for Christmas. She's gonna love it. Over all 5 stars!
