Best Sellers Rank: #1,961,577 in Books (See Top 100 in Books) #36 inÃ Â Books > Travel > United States > Wisconsin > General

Customer Reviews

LARGE HARDCOVER

Although the book is different from what I expected it is a good book. There is a book similar to this one about the foods of France and I like the format of that one much better. There are many more photographs of the areas where the foods originate in the French book and that is what I was hoping for in the Italian version. This book has much more narrative to it.

A beautiful book with authentic Italian recipes.
