Synopsis

WONDERÃ Â IS SOON TO BE A MAJOR MOTION PICTURE STARRING JULIA ROBERTS AND JACOB TREMBLAY!Over 6 million people have read the #1Ã Â New York TimesÃ Â bestsellerÃ Â WonderÃ¢â ¬â •the book that inspired the Choose Kind movementÃ¢â ¬â •and have fallen in love with Auggie Pullman, an ordinary boy with an extraordinary face.Ã Â Last year readers were given a special look at another side of his story withÃ Â The Julian Chapter, and now they'll get a peek at Auggie's life before Beecher Prep, with an exclusive newÃ Â short story told entirely from the point of view of Christopher, Auggie'sÃ Â oldestÃ Â friend. Ã Â Christopher was Auggie'sÃ Â bestÃ Â friendÃ Â from the time they were babies untilÃ Â his familyÃ Â moved away; he was there through all of Auggie's surgeries and heartbreaks,Ã Â through bad times and goodÃ¢â ¬â •like Star Wars marathons and dreams of traveling to Pluto together.Ã Â Alternating between childhood flashbacks and the present day, an especially bad day for Christopher, Pluto is the story of two boys grown apart learning that good friendships are worth a little extra effort.

Customer Reviews

This book is a really good read. The characters have a lot of emotion, the situations all tie in together for an overall key theme, and the simplicity of the story sorts everything out to a simple yet very compelling and very easy to understand story. I came across this book because it was recommended to me on . I'm mostly a Neil Gaiman kind of person. I'm into stories that are fictional, very surreal, but are relatable or teach in a way non-fction stories can't quite express. This book though taught me the importance of supporting your loved one's during times of difficulty. This book is simple, but that's a big part of the reason it's so great. It presents a realistic situation and engraves important lessons that can be learned from the problem at hand, all while being directed towards young readers! I am more than happy to have 80-pages of pure simplicity at it's finest in my digital library and hope to get a physical copy for my future kids. I know this sounds out of place, but given the allusions... May the force be with you. This was a very good read.

J. Palacio writes amazing stories. Love that there is a book from each of the main characters perspectives the back stories are amazing and really explains why they are how they are in the main story "wonder"

This book did not disappoint. I just can't say enough about this author and this series. When a 35 year old mom enjoys the book as much as her 11 year old niece, you know the author is on to something! This series is a must read for all! I will pass it on to my 2 1/2 year old son when he is 9/10. Such wonderful messages on how to be a good and understanding human. Five stars!

Although I don't remember too much of Christopher in the Wonder book, this was a nice companion to Auggie's story. It helped to shed light on Chris' character. I love this series and am hoping for the Jack Will version soon.

Our 11 year is nearly obsessed with Wonder and The Julian Chapter and has the books and audiobooks. He was prepared to be disappointed by this but loved it as much as the others. Exceedingly well done, like the others.

Great book to tie the Wonder story together. It easily lets you into Chris's world and helps you understand how the way you are brought up helps you see the world and those around you. Even though Chris is growing up and facing the same type changes and pressures that kids his age do,

he manages to get the lessons that his life circumstances brings him and it gives you a feeling of hope and goodness. Good book to read with my 10 year of. I could tell he could relate to the character and the story. He loved Wonder and is happy to keep reading the other books that supplement the story!

If you are considering purchasing this book, consider no more. This book is the story of Auggie's best friend, Christopher. I recommend reading Wonder first if you have not read it already. It talks about Auggie's past and elaborates more on his time with Christopher, things that Auggie did not talk about in Wonder. This book will stick with you for a long time, and if you enjoyed this, I recommend purchasing Shingaling and The Julian Chapter as well. Fantastic job, R.J. Palacio.

An excellent mini book adding perspective to the book Wonder. My kids and I all loved Wonder and we were thrilled to see this available. It follows the story of Auggie Pullman from the viewpoint of his long term friend Chris. Chris is a much smaller figure in the main story. It is an honest and realistic portrayal of the relationship between two boys, one marred physically by a birth defect and one "normal."
