Synopsis

The new, Ã¢â ¬Å“heart-stoppingÃ¢â ¬Â•* novel in the New York Times bestselling series that Ã¢â ¬Å“defines urban fantasy.Ã¢â ¬Â•*Ã Â Ã Â Ã Â Mercenary Kate Daniels knows all too well that magic in post-Shift Atlanta is a dangerous business. But nothing sheÃ¢â ¬â„¢s faced could have prepared her for this... Ã Â Kate and the former Beast Lord Curran Lennart are finally making their relationship official. But there are some steep obstacles standing in the way of their walk to the altar... Ã Â KateÃ¢â ¬â„¢s father, Roland, has kidnapped the demigod Saiman and is slowly bleeding him dry in his never-ending bid for power. A Witch Oracle has predicted that if Kate marries the man she loves, Atlanta will burn and she will lose him forever. And the only person Kate can ask for help is long dead. Ã Â The odds are impossible. The future is grim.Ã Â But Kate Daniels has never been one to play by the rules... Ã Â Ã Â *Fresh Fiction

Customer Reviews

Magic Binds, the ninth (and apparently second-to-last) installment of Ilona AndrewsÃƒÂ¢Ã â ¬Ã â„¢ Kate Daniels series is quite possibly this authorÃƒÂ¢Ã â ¬Ã â„¢s best

work to date. At this point, itÃƒÂ¢Ã â ¬Ã â„¢s very difficult to separate, compare or evaluate each individual book, but Magic Binds challenges our beloved characters in all new ways and adds a lot to the already spectacular characterization. The sheer quality of these books sets them apart from anything even remotely similar.Kate is pushed to her limits in Magic Binds, not just by her father, but by her magic as well. More than any other book in the series, this one centers on characterization and shades of gray within KateÃƒÂ¢Ã â ¬Ã â„¢s family. With her father so close, a constant threat on the borders of Atlanta, KateÃƒÂ¢Ã â ¬Ã â„¢s power is developing rapidly. Each day she discovers some new ability and itÃƒÂ¢Ã â ¬Ã â„¢s affecting her in ways none of us could have predicted. As Curran at one point says, Kate is the least power-hungry person he knows, but power corrupts even if you never wanted it in the first place.For those of you who were wondering about Christopher and his origins, answers are finally here! We get to learn his history, how his mind came to be broken and why he attached himself to Kate and her people. Aside from discovering his past, we finally scratch the surface of his relationship with Barabas, which seems to be very complex. This was something IÃƒÂ¢Ã â ¬Ã â„¢ve been wondering about for quite a while and although thereÃƒÂ¢Ã â ¬Ã â„¢s still some room for speculation, we now have a much clearer picture.As the end approaches, the pressure on Kate is growing, the need to fight her own blood inside and out is becoming ever stronger. Everything she does reveals more truths about her father and the more she knows, the more sheÃƒÂ¢Ã â ¬Ã â„¢s determined to stop him. KateÃƒÂ¢Ã â ¬Ã â„¢s family is always behind her, even though there are friends who arenÃƒÂ¢Ã â ¬Ã â„¢t. ItÃƒÂ¢Ã â ¬Ã â„¢s gorgeous to see how much understanding there is between her and Curran and how they support each other even through bold and risky moves.With just one more book left, every word in Magic Binds is extremely important. Each event leads to something bigger and more dangerous. Due to their trademark sense of humor, fantastic plotting and unparalleled action scenes, Ilona and Gordon will leave behind a horde of disappointed fans when they bring this series to a close.

Heckfire!!! What did I just read? I never saw any of this coming, not even a little bit. And yet? It made complete sense too. This is book 9 in the Kate Daniels series, and be ready for it, because I am going to gush and spoilers for earlier in the series may occur and if you haven't read the series it is going to be pure gibberish (it's book 9, what do you expect?). Kate Daniels rocks out with her socks out...or on as the case may be...in a tutu.We've seen Kate grow from a low-lying no-name merc, to a POWER. She's made friends and enemies. Just, aargh, I don't even know how to express all the things that make me love this series. But I love it so. The night I was reading it

someone asked me what I was reading and I TRIED to explain it. But trying to express into words what makes me so enthralled with this series proved pretty much impossible and devolved into something that probably resembled the kind of embarrassing spectacle that was once associated with Bieber fans. My love for this series is vast, I walk in this world in my head and it is a mythology that makes sense to me.So this book in particular? Leading up to it we have seen how the structure of the people in Kate's life have shifted, it was moving toward something. But that structure is pretty effing clear now. War is coming and alliances are and will be tested.Christopher, the broken man, the apparent deus ex machina that I thought was there to show who Kate really was, to set her apart from her father, yeah, he turned out to be pretty ever-loving important. He hurts my heart, but I think he's going to get better now. And I can't wait to see how his story shakes out.Roman the Dark Vohlv is freaking adorable. Just the cutest little Dark Vohlv ever, and as the representative that your job doesn't have to define you, he's pretty perfect and I want a HEA there quite badly.Jim, the new Beast Lord, yeah he done screwed up. Fortunately Dali is a magnificent Beast Lady who is perfectly willing to call him on whatever he needs calling on. She is just as good of a Beast Lady as I knew she would be. I expect Jim will have some consequences, as he well deserves. But I expect we'll see that shake out in the next book.And of course Ghastek , Master of the Dead, came through, I've always liked him. I'd like to see his story play out too. We don't necessarily need a whole book, but a little more wouldn't go amiss.We also got quite a bit of back story on everyone. Roland, Era, Hugh. Lots of emotions to be wrong there.And the rest of the gang; Andrea, Raphael, Desandra, Derek, Ascanio, Samhain, everyone made an appearance and played their parts.And I guess that pretty much shows if not explains why I love this series. These characters are as real to me as anyone else. The world is built and layered so I believe it too, so the characters they've created can walk there and I can believe in them and feel like I know them too.As for the events, this is very much a learning book, more so than an action book. But is still felt really exciting. So yeah, we tromp through Kate's past and her future, and Kate learns a heck of a lot, but it still felt like there was a lot going on and that there were some real stakes. And there was a wedding. I don't know, it came down fairly easy and then hooked for the next (last?) book. Good stuff, all the stars, 10/10 would read again, recommend this series to everyone and all that jazz.
