Synopsis

Logan St. James is a smoldering, sexy beast. Sure, he can be a little broody at times - but Ellie Hammond's willing to overlook that. Because, have you seen him? Sexy. As. Hell. And Ellie's perky enough for both of them. For years she's had a crush on the intense, protective royal security guard - but she doesn't think he ever saw her, not really. To Logan, Ellie was just part of the job - a relative of the royal family he'd sworn to protect. Now, at 22 years old and fresh out of college, she's determined to put aside her X-rated dreams of pat-downs and pillow talk and find a real life happily ever after. The Queen of Wessco encourages Ellie to follow in her sister's footsteps and settle down with a prince of her own. Or a duke, a marquis...a viscount would also do nicely. But in the pursuit of a fairy-tale ending, Ellie learns that the sweetest crushes can be the hardest to let go. ***Logan St. James grew up on the wrong side of the tracks, in a family on the wrong side of the law. But these days he covers his tattoos and scars with a respectable suit. He's handsome, loyal, brave, skilled with his hands and...other body parts. Any woman would be proud to bring him home to her family. But there's only one woman he wants. For years he's watched over her, protected her, held her hair back when she was sick, taught her how to throw a punch and spot a liar. He dreams of her. Would lay down his life for her. But beautiful Ellie Hammond's off limits. Everybody knows the bodyguard rules: Never lose focus, never let them out of your sight, and never, ever fall in love.

Logan St. James has dedicated his life to guarding the Royal Family of Wessco. He was a member

of Prince Nicholas personal guard. HeÃƒÂ¢Ã â ¬Ã â„¢s witnessed the prince fall in love in New York City, abdicate his position on the throne, marry the woman he loves, and now becoming a father. When the Prince left New York City, he left Logan St. James and a few of his personal team to protect Ellie Hammond, his loveÃƒÂ¢Ã â ¬Ã â„¢s younger teenage sister. Logan has watched Ellie grow from a delightful curious teenager chasing her dreams to a vibrant woman with a passionate personality and strong will. HeÃƒÂ¢Ã â ¬Ã â„¢s loved her from the beginning and loves her more with each moment. SheÃƒÂ¢Ã â ¬Ã â„¢s his forbidden fruit, the one thing that can make him give up the job he has dedicated his life to. SheÃƒÂ¢Ã â ¬Ã â„¢s worth every sacrifice. Is he ready to give up his job and become a royal? When the shoe is on the other foot life isnÃƒÂ¢Ã â ¬Ã â„¢t quite as easy as he thought it would be. Loving Ellie is more rewarding than protecting the throne.Readers will once again socialize with all the royals and their stuffy traditions. The new generation is making traditions of their own, traditions from the heart. Ellie and Logan are part of those new traditions.Once again Emma Chase delivered another delightfully royal romance that had my heart swooning. I loved this series!

I couldn’t wait to read Ellie and Logan’s book and get a better view of these 2 and watch them grow and fight their connection and hopefully succumb to their chemistry (and I was hoping we would get a piece of Nick and Olivia 2 at least the twins names) and this book was everything I was hoping for and them some .. some parts I struggled with they for me just fell a little short but over all I really enjoyed this one ugh the royals are definitely a group of characters you can easily fall for

This book deserves the crown! I think this book was my favorite of the series. I adored Logan and Ellie so much. I love how you get to meet these two when Ellie is younger and they developed a friendship. You get to watch this relationship grow and blossom as the years go by. Ms Chase did an amazing job. Logan and Ellie have such chemistry together that I couldn’t put it down. That epiloque brought such a smile to my face! I can’t recommend this book or the series enough.

I think out of all the books in this series this was the most lighthearted. Things took a while to get started, Logan and Ellie both to stubborn to admit feelings, but when it happened it was magical. As always I loved reading about ’royalty’ and I definitely enjoyed getting sneak peaks into everyone else’s lives in this story as well. Great ending to a wonderful series!

I really liked this book! I liked Ellie’s character. She had a fun personally. I’m glad the book included

Nicholas, Olivia, Henry, and Sarah. One thing I could have gone without was the "Prologue". I am always iffy on reading the Prologue because I feel like sometimes it takes away from the book. All around I really liked it.

I'm so glad to have Ellie and Logan's story. The HEA was beautiful but the journey was most definitely long and fraught with obstacles. All I can say is Logan has some major control! He needed Ellie's free spirit and kindheartedness. When they finally let loose? ÃƒÂ Ã Å¸Ã â•Ã Â¥ÃƒÂ Ã Å¸Ã â•Ã Â¥ÃƒÂ Ã Å¸Ã â•Ã Â¥ÃƒÂ Ã Å¸Ã â•Ã Â¥ totally worth it.

I want more...more! This is my favorite book of the series. Has it all, and I would say a stand alone. I've read so many books in between, my recollection from the others was fuzzy. This was a great book. Fun, intense, steamy...sweet. loved it

Logan is swoonworthy, sexy and fun. Ellie is a fun loving girl with a great loving heart. When a a stubborn girl falls for a broading body guard things heat up and you just can't imagine the fun banter that goes along with it. A must read..
