## Synopsis

The Protocols of the Elders of Zion or The Protocols of the Meetings of the Learned Elders of Zion is an antisemitic fabricated text purporting to describe a Jewish plan for global domination. The forgery was first published in Russia in 1903, translated into multiple languages, and disseminated internationally in the early part of the 20th century. According to the claims made by some of its publishers, the Protocols are the minutes of a late 19th-century meeting where Jewish leaders discussed their goal of global Jewish hegemony by subverting the morals of Gentiles, and by controlling the press and the world's economies. Henry Ford funded printing of 500,000 copies that were distributed throughout the US in the 1920s. Adolf Hitler was a major proponent. It was studied, as if factual, in German classrooms after the Nazis came to power in 1933, despite having been exposed as fraudulent by The Times of London in 1921. It is still widely available today in numerous languages, in print and on the Internet, and continues to be presented by some proponents as a genuine document.
