Cycling Michigan: The 30 Best Road Routes in Western Michigan (Cycling Tours) I was very happy to find this book! It does a great job showing the location, and describing the trails. We had an older version many years ago, and it was lost. In trying to locate the same product, I found this newer and more expanded version. Thank you for being so easy to work with!

Because it had little information about the area of Michigan I visited. I had no way to know that before purchasing the book.
