Matt Christopher is the best selling name behind more than 100 sports-themed books for young readers.

My 8 year old son loved this series! When the last one came he couldn't wait to read to see who won. We are hoping for more books!

This book is perfect for my reluctant reader. He LOVES baseball and this was the perfect way to get him reading. The book is so well written and the story teaches some wonderful lessons. My 4th grader has asked for all the additional titles in the series for Christmas!

I loved Matt Christopher books as a child and now I'm purchasing them for my 10 year-old son. He loves to read almost as much as I do. These books are easy to read and keeps the reader entertained. If you like stories about baseball, you'll love this book.

This was a great follow up to the first installment of this series. My 8 yr old son received the first book as a gift from his Little League coach and seemed to fly through the first and did the same with the second. He's anxiously waiting for the 3rd book to be released.

District doubleheader is so awesome because of the content of the book. It is also awesome because of the characteristics of the book. It is that because they're very kind, average and wonderful

My son is reading the series and he loves it!

I chose this rating because I like your books and what you make so interesting to other readers. I like that you put all sports into your collection of sports series. I hope you make more books by you.
