It's A Hip Hop Hip Hop World For Every B-Boy And B-Girl: African American Children's Book

Synopsis

HIP-HOP Children's book, Rap, B-boy, Breakdancing, Spray Painting, Money Making, Black History. A Rhyming story about the origins of Hip-Hop that kids can understand. Its entertaining, informative, historical and inspiring. Hip Hop B-Boy and his sister Hip Hop B-Girl have a problem, they are broke and it's not a joke. They know they can do so much more even though they are poor, they believe in themselves even if the world says no. They needed to express themselves so they dug deep into their soul to reveal a culture that the world would forever know. The name of this culture is called Hip Hop. Now Hip Hop B-boy and B-girl is on a mission to overcome poverty and change the world by harnessing the power of their art and culture. BOOK FEATURES: Beautiful illustrations Swag Hip Hop Hair Breakdancing Rhyming BOOK BENEFITS: How to overcome adversity The power of believing in themselves To be proud of their culture and history How not to be discouraged by disappointment How to use ideas to solve problems The concept that everything physical starts out being mental How to realize their desires through creativity and persistence The concept of creating value through their idea The importance of understanding business Hip Hop History The evolution of Hip Hop Black History The Breakdancing is so spectacular! The Graffiti Spray Painting is so amazing! The Rap Rhyming is so inspiring! The Human Beat Box sound is so profound! The Street Style is so wild! This book is a great read as a family before bedtime. The kids will enjoy the characters visuals and cool Rhymes in the book and learned some valuable lessons at the same time. AUTHOR COMMENTS: As a member of the Hip Hop generation and as a parent, Hip Hop was a huge influence on my life in high school and college. Admittedly, I don't listen to much of the Rap Music today but it doesn't take away from the incredible way that Hip Hop affected the world in just a couple generations. This book is a wholesome way to introduce Hip Hop history and art of not just Rap but all the 5 elements of Hip Hop to children. The story explains the impact and art created by poor kids from the Bronx, New York in the late 1970's and how it became the Hip Hop business of today in a simple beautifully illustrated way that kids can understand.

Customer Reviews

This is a great book full of information for older children. It discusses the realities that no one wants to talk about yet breaks it down so that children can understand. It builds pride in African American culture which is something children need to see and read.

My two little ones loved this book. And it was refreshing to read a story that was entertaining and educational.

5 stars...in a world where the vast majority of children's book are for/about white kids or fail to acknowledge black kids at all, this is a highly welcomed read. I have FOUR little black boys and now I have another go to book I can read with them which allows them to be proud of who they are!! Thank you for this book and please make more!!

This book was awesome and my kids loved it. This is awesome and I can't wait to read more books I read it to my daughter every night before bed I love being able to support my people and being able to teach and put that into my children's life it made me want to look at the documentary on Netflix on hip hop...great great book

I liked how it was a black girl and black boy. I liked there dance moves. I liked how they showed people how to dance and not be afraid. That was my daughter's response when she saw the book and after she read it. Thank you for providing diversity in children's books.

This is not only about supporting my people but I thought the book was cute. I loved all the colors and the wording in the book. It's such a good thing to see characters that portrays the image you see in your own mirror. Keep up the good work and continue to support black business.

This book is a must read for every little aspiring dancer and rapper. Kid friendly approach to explaining the creation of the hip hop era. Great content, Cool graphics, vibrant colors "hip"

characters! My 6 and 7 year old daughters liked the clothes. The cartoon format is a winner.

I found this book to be very entertaining and informative and it opened the door for my son to ask questions and inquire more about hip hop culture. He was also able to connect the dots between some of his favorite songs and how hip hop made that possible.
