Win Or Lose, I Love You! (Lulu And Her Tutu)

Synopsis

Win or lose, one thing that's true . . . No matter what, I love you! Competition can bring out the worst in us, but it can also be an opportunity to learn impactful life lessons. That's why it's so important for kids to understand how to handle winning and losing! Join Lulu and Max as they help Bear-Bear, Goosey, Coyote and the rest of their animal friends in the Field Day contests determine who will be the leader of Lulu's forest. But as the animals soon find out, not everyone can win. Sore losers, unkind winners, flaring tempers, and a few tears are taking the fun straight out of Field Day! Just like Lulu and Max help the animals navigate the ups and downs of the day, with Win or Lose, I Love You parents will be equipped to help children: Replace the selfish characteristics of competition with an understanding of how to treat others fairly Overcome the tendency to display poor sportsmanship by using Biblical truths to develop a Christ-like attitude Reject the labels of winning and losing and embrace that they are loved no matter how they perform. Win or Lose, I Love You will show your child that, no matter what, their value is tied to who they are, not how they play!

Very well written book. Our examples of sportsmanship have become very unhealthy as shown by today's professional athletes. This book helps kids see the better side of sports and competition; fairness, friendship, responsibility, kindness, and more. A must have for your child's library!

love the artwork and the story plus the bible verses in the back, Thanks Beth! enjoy anything that Lysa TerKeurst writes.

I gave this as a gift to a 6 yr old gymnast. She dove into the book immediately and enjoyed the characters as they reacted to a series of competitive situations. Her mother knew other very fine books by the author which are read by the children of her friends. Mother Approved for good teaching points on social behavior for kids.

So precious! I read this to the little ones in our church library and it was just so cute and addressed some of the things they do with each other. Thanks for this great book!

The message is great. I think it's a little too wordy for young children and it's kind of long. But overall, it's a sweet book and my five year old loves it.

A book for all kids! Be a good sport no matter, win or lose.

A beautiful story about sportsmanship and kindness!

Such a cute book! A must have for kids learning how to play games! I used this at home with my 3 and 4 year old and will also be reading it to my 1 st graders!
