ITMB Publishing (International Travel Maps and Books) of Vancouver, Canada, has published detailed reference and travel maps of countries, regions, and cities around the world since 1985. The company's titles include many that are unique or the first of their kind, including the first commercially available travel map of South America.

Incomplete, contains many errors. The Nicaragua portion of the Central America map by ITMB more complete, more accurate. Examples of errors. Does not show road from Nandaime to Granada, a major road. Does not show airports/airstrips other than Managua and a few larger towns, the Central America Map does. Shows San Jorge inland rather than on Lake Nicaragua, where it is a

port. Example of omission is Merida on Ometepe Island, shown on the Central America Map. Shows ciudad Jinotega as Jinoteca, and the Department Jinotega as Jinotega. These errors/omissions found in only a fast cursory review of the map. Not sure it deserves even one star.

This map is outdated. It lacks a table showing mileage between towns. It lacks citymap inserts of all towns but Managua. It is a very poor value.
