Engineering And Construction That We Can Still See Today - Ancient History Rome | Children's Ancient History

Synopsis

Did you know that before there were engineers and architects, there were builders who relied on their knowledge of nature and the seasons to create huge infrastructures? And what's really fascinating is the fact that some of these buildings are still standing today! Let's go to the ancient Roman sites to see and feel the buildings our ancestors have built many years ago. Open this book today!
