KJV Standard Lesson Commentary® Large Print Edition 2017-2018

Synopsis

As the nation's most popular annual Bible commentary for more than 2 decades, the Standard Lesson Commentary provides 52 weeks of study in a single volume and combines thorough Bible study with relevant examples and questions. The KJV SLC Large Print Edition is perfect as the primary resource for an adult Sunday school class and personal study or as a supplemental resource for any curriculum that follows the ISSL/Uniform Series. The Standard Lesson Commentary is based on the popular Uniform Series, also called the International Sunday School Lessons. This series, developed by scholars from several church fellowships, provides an orderly study of the Bible in a 6-year period. Nearly 2 dozen ministers, teachers, and Christian education specialists provide the Bible commentary, lesson plans, discussion questions, and other features that make the Standard Lesson Commentary the most popular annual Bible commentary available.

Excellent resource for teachers of the Word of God

It was exactly what I needed

Love this series

The content is good, even worth the 5 stars. I've used it as a supplement to my denominational

materials for several years. The theology / style is conservative, but that's Standard / David C. Cook. BUT the CD on the Deluxe is faulty. Previously it contained pdfs of the Activity Pages. They forgot to put them in. Call Standard / David C Cook Customer Service 1-800-323-7543 after July 1st & they are supposed to send a replacement CD. No word on what they'll do with the stock already in the sales chain.

This lesson commentary gives pertinent information in helping to better understand the lessons. I highly recommend this as an additional source for teacher preparation. The large print is fantastic since I have a visual disability. Of course, it is not my only biblical source.

From what I have read, this going to be an outstanding book when we start our fall session in September.

These are the only commentaries that my Sunday School will use.

I use this every year
