Customer Reviews

This book has very little useful information. It doesn’t even list Elafonisi Beach, which is arguably Crete’s most famous, beautiful, and unusual pink beach or Balos Beach either on its list of top beaches. This is a no brainer. There was nothing in this book that Google didn’t provide, but this book was shockingly unhelpful.

Everybody has different needs and taste when it comes to guide books. If you want a durable, super packed with photos and an excellent "survival" section. DK guide books might be for you

Used this alot with my October 2012 trip to Crete.We were there for 2 1/2 wks and we only missed oneday outside due to a down pour.The tips let us see lots and some Greeks we met saidthat we had seem more than them and they lived there onCrete there whole life!

good

not easy to use to plan your travels beforehand, but once you’re int he country, it will be nice to have something simple and to the point.

print was sooooo small, dificult to read.a little disappointing.
