We've had *The Power of a Praying Wife* and *The Power of a Praying Parent*. But what about the power of a praying grandmother? In *Grandma, I Need Your Prayers: Blessing Your Grandchildren Through the Power of Prayer*, Quin Sherrer and Ruthanne Garlock (who have 10 grandchildren between them) instruct fellow grandmas in the art of praying for their grandkids' spiritual growth, family life, education, health, etc. The best parts of the book are the stories about special

intergenerational relationships, deepened by prayer and time spent together. Copyright 2002

This is the second book I've bought under this title. It's an amazing book for helping grandparents to pray for their grandchildren! It also gives you a whole new look in how to go the step beyond protecting them ...you can also use it for your childrenwe've been praying scriptures for a long time for my family but in this book it shows you more scriptures to use. It gives you the peace you need for knowing that the prayers you're praying are indeed working. The results are amazing when you leave your children in His hands through scriptures. How perfect is doing what the Lord has told us to do...pray! You will love this book Grandmothers or Grandfathers without a doubt! Knowing that you are protecting, guiding, overcoming, & so on for your grandchildren

Motivated to pray more for my grandchildren. And more effectively. Every grandparent should have this book. Will be giving copies to my friends.

Best book on praying for your grandchildren that I have ever read. Lots of wonderful examples of prayers and answered prayers that will give you hope when things seem hopeless! I highly recommend this book!

Awesome book!! I think this would be a good group study! This book has chapters about praying for grandkids that are not near, grown grandkids, even praying for step grandkids. Praying for the friends they'll make, the schools they'll attend, etc. Instead of just praying for my grandchildren I feel I have more power in my prayers.

Grandmas, your grandchildren need you! This book will guide you in your important role as you pray for your grandchildren. If you've ever worried about, hurt for or just wanted to bless your precious grandchildren, this book will show you how important your role as a praying grandparent is. No matter how near or far you live from them, you will learn practical ways to be a close and important part of your grandchildren's lives.

A lovely way to pray for our grandchildren... So often this little book offers grandmother every-day help in praying for grandchildren. My grandbabies live far from me, so I depend on prayer for them. If you have a few hours one day, use this book to pray several of them in one sitting. A good gift to give, also.

I have bought 3 of these now for gifts for new grandmothers after reading it myself. The balanced approach to grandmothering is refreshing and the honest Biblical content gives guidance in handling different concerns between grandmothers, parents and grandchildren.

The Lord used this book to bless me at a time when I least expected it. I purchased this book because I thought it is something that I could use in the distant future. The book arrived one day, and the next day... I recieved a called stating that I was a grandmother, and the child was 22 months old. This book was right on time in teaching me what to pray for my new granddaughter. The book arrived when I needed it the most, and helped open a lot of doors that had been closed with the estranged mother. My granddaughter is the hightlight of my life. I learned alot from this book. It reminds one to carry on the legacy.B.Wise
