Adriano, Il Cane Di Pompei —œ Hadrian, The Dog Of Pompeii (Italian Edition)

Synopsis

A delightful story of a special dog and the magical place he calls home. Follow Hadrian the Dog of Pompeii amid famous ruins and friendly tourists, and experience the adventure that changed his life. Discover more about Pompeii in the historical sections of the book and the location map. Suitable for all children with a love of animals, and for parents and educators seeking an entertaining way to introduce the subjects of travel, history, archeology, and geography. The Italian text followed by the English translation on every page make the book a fun tool for language students and teachers as well. Fully illustrated. Large print. Ages: 3+

Customer Reviews

Great story. My son loves this book. Adriano is an infectious & heroic character. The book is well written without any Italian grammatical errors. We like the fact that there's an English translation so my husband can read it to him too.

I love this book. As an instructor of Classical languages, I can read only a little Italian. It's been a fun book to use in beginning Italian lessons with my friend, a clever instructor. Anyone young or old with an interest in Ancient Pompeii or the Italian language should try this book. A series of these books set throughout dozens of ancient sites in Italy would be fun.

Enjoyed it. Cute story in simple Italian for a beginner student. This was a little more difficult than Ottavia e i Gatti di Roma.

A fun story that has been well translated according to my Italian wife

Very nice. The story was nice and the translations were good.

A charming bilingual story that works for children and adults.

This story about a dog becoming a hero in Pompeii is delightful. It is written in both Italian and English, which is great for homes where one parent speaks Italian but the other does not. The intro to the book and the back of the book also include some history of Pompeii in both Italian and English. We've read this to our baby, but once a baby is mobile it isn't really for their little hands (it's large, with paper pages). It would be great for an older child though. Age aside, we love it.
