Great book with awesome itineraries, written by people who have been to the places. Great recommendations. Can't wait to go to some of the recommended places in our RV,

This book is worth three times what I paid for it. the best RV book I've ever bought. Just ordered a second one for a friend

Great for the laughs of a friend who is retiring to the RV life.

Good reference book.

Comprehensive book for the beginner. Answered a lot of questions

Good read for someone needing ideas for RV trips. Provides Maps, directions, campgrounds, where to eat, and what to visit. Quite detailed and also allows for possible problems - weather, narrow roads etc. Also gives a newbie ideas on purchasing an RV and steps on packing, driving, picking a campground, and setting up.
