La Valse - A Score For Solo Piano (1920)

Synopsis

This volume contains the complete score for Joseph Ravel's 1920 solo piano composition, "La Valse". Joseph Maurice Ravel (1875 – 1937) was a French pianist, composer, and conductor. He is considered to have been a significant figure within impressionism together with Claude Debussy, and he was hailed as France's greatest living composer during the early twentieth century. Ravel's music is famous for incorporating elements of baroque, neoclassicism, and even jazz. With spacious margins and clear note heads, this modern, high-quality edition is ideal for following the music, and it would make for a fantastic addition to collections of allied literature. Classic Music Collection constitutes an extensive library of the most well-known and universally-enjoyed works of classical music ever composed, reproduced from authoritative editions for the enjoyment of musicians and music students the world over.

Customer Reviews

The binding is good in this edition, I like the pages. The unfortunate thing is it's also a bare bones edition, with no editing, no guidance on how to play the unplayable parts. That is rather frustrating, but there are no better editions available.
