After The Collapse - Boxed Set

Synopsis

*** SPECIAL SALE PRICE *** Available together for the first time. This box set includes the first three books in S. A. Gibson's After the Collapse series. This ebook bundle includes *Feeling a Way*, *A Dangerous Way*, and *In the Horde's Way*. *Feeling a Way*: The battle for the future begins. In this post-apocalyptic world, where new dangers and mysterious happenings lurk around every corner, children are being kidnapped, and swordsman William Way must rescue them. Archer for hire, Kalapati, has begun her own quest. As William and Kalapati race to complete their missions, they soon wonder how their efforts will change the future. *A Dangerous Way*: Eleanora is hard at work on her foster parent's farm training herself in the fighting arts and hoping to avoid the same fate as her parents. William is a swordsman for the library, but when the Librarian steps down, chaos throws all into turmoil. Can Eleanora and William restore the peace to this primitive Southwest landscape after the Collapse? *In the Horde's Way*: Henrietta, a soldier with a secret, begins working at the Southwest Library. Meeting Alaya, the Librarian's daughter, launches them both on an epic and dangerous journey that leads them into the councils of invaders and the tribal chieftains who rule the desert land of the Southwest. These interconnected tales of a future world without modern technology, will test each character's loyalty and commitment and ultimately shape their fate.
