Above And Beyond

Synopsis

Give up while you're ahead, old boy. She doesn't want you. Then he remembered the passion of her kiss, the taste of her mouth, the scent of her hair, the feel of her skin beneath his hands, and he knew he wasn't about to give up. While serving his country, Trevor Rule experienced the wrenching heartache of losing his best friend in a brutal attack. His grief is coupled with guilt when he falls in love with that friend's wife by reading letters she'd written to her husband. Kyla gave birth the same day she learned that her husband had been killed in a terrorist assault on Marine barracks. That was almost two years ago. Now, Kyla is struggling to rear her son alone...and wrestling with the longing generated by the handsome stranger who fortuitously enters their lives. Except Trevor's entrance into Kyla's life isn't accidental. He has sought her out not only because he feels he owes her and her child a debt he can never repay, but also because he remembers the impassioned words she wrote to her husband. Which Trevor took to heart. Will her growing love be strong enough to forgive his deception?

Sandra Brown is the author of numerous New York Times bestsellers - including most recently STING, MEAN STREAK, FRICTION, DEADLINE, LOW PRESSURE and the critically acclaimed RAINWATER. She is the recipient of the 2008 Thriller Master Award from International Thriller Writers, Inc. She and her husband live in Arlington, Texas.

Kyla Stroud is widowed after her husband, a marine stationed in Cairo, dies in a terrorist attack there. In Texas Kyla meets Trevor Rule, a handsome builder who forms a friendship with her and her young child. But secrets from his past threaten to destroy their chance at happiness. Kate Forbes instills each character with a range of emotions by varying the intensity of her voice. Her narration is crisp and clean as she creates unique voices for all of the players. Kyla's resonates with a sweet honesty while Trevor's voice is filled with sensuality and self-assuredness. All in all, Forbes's narration creates an engaging listening experience. Yep Sandra unlike most of your books that lead off with a Slam Bang Do it Again Babe this classic led off in a tragedy and gripping sorrow and a crippled Marine kept alive by 27 love letters written to another man. Then driven by sheer determination the meeting of two lost souls and a gripping painful relationship saved by an over sexed loud mouthed friend and a blissfully loving end.

Good read. A few times I put this book down scared to read what would happen next. I kept thinking this is going to end badly, but I always went back to it. I love a book that draws you right in the middle of the story. Great book, characters, and sad but sweet story line.

This is one of those books where I found myself hollering at the characters the way you do at a good movie. It was an excellent read.

Great writing but the first book from Sandra Brown that I felt moved along too aSlowly. I love all her other books immensely

Sandra Brown never disappoints! Another good love story that makes you cry and laugh and wished someone loved you like that!

She writes good easy reads

I have read this book 5 times in the past 15 years. Excited that it is on kindle. Fast read. Very enjoyable.

Not much drama as is accustomed i n a Sandra Brown novel. It was however a very sweet love

story.
