## Customer Reviews

Founded in 1947, Hal Leonard Corporation has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

This is a fun music book for a hobbyest, such as me, or a middling junior high/high school musician. It has the essence of all the songs in the book, gives room for some improvisation for the adventurous, but is easy enough to play just for a good time. Some of the pieces are not complete, but the essence of the music is there. My primary audiences are my under age 8 grand children and

nursing homes, and they seem to be fine and dandy with what I play.

Excellent for beginning to intermediate players. Notation is clear and easy to read. Song are complete and enjoyable to play.
