Poisson Un Poisson Deux Poisson Rouge Poisson Bleu: The French Edition Of One Fish Two Fish Red Fish Blue Fish (I Can Read It All By Myself Beginner Books (Hardcover))

Synopsis

The beloved illustrations of Dr. Seuss plus an all new French translation of his simple, fun learn-to-read text. Published in English under the original title One Fish Two Fish Red Fish Blue Fish, this new French translation faithfully captures Dr. Seuss' beloved tales, rollicking rhyme and zany characters such as winking Yink, seven-humped Wump and Ned with his little bed. This book is not only a perfect tool for learning to read French, it also entertains and amuses with playful passages such as "Did you ever fly a kite in bed? Did you ever walk with ten cats on your head?"

Very happy with the purchase. Because of the low price I didn't even realize it was hardcover until it came in the mail, which is great. Cover and spine are sturdy and the pages are thick, so I expect this book will stand up to a lot of use. The text is a good size and easy to read, even for younger children. My French is somewhat limited but as far as I can tell it is accurate.

Just like the English version only this one is in French. I purchased this book in order to start chewing my daughter some French. This book is actually a lot longer than I had remembered! It's very cute though and I highly recommend it.

I sent this to my grand baby for Christmas and his French mom is thrilled. She said she wanted very much to read Dr. Seuss but the English version didn't quite make sense to her. The French version takes this tricky English story book and translates it into something that's enjoyable in French.

Great book in any language, but my grandson is in his second year, kindergarten, at a French school and just loves being read to in French.

The text is written completely in French -- no English translation and you won't need one to understand the French text. I love using these readers to practice French and introduce my grandson to a new language.

I have been taking french at school for about 5 years now, and I've been trying to incorporate as much french in my life as possible. One Fish, Two Fish, Red Fish, Blue Fish was the first book I ever read, and it is the first book that I have read in french! For a used copy, it came in perfect condition. I also wasn't expecting it to be shipped and delivered until at least July, and it came on July 21st, when I ordered on July 16th. I am so pleased, and I'll definitely order from this seller again!

I purchased this as a baby gift at the request of the parents, they asked for the French edition so they were excited to receive it. French or English, One Fish, Two Fish, Red Fish, Blue Fish is a favorite Dr. Seuss story

Great!
