The Arathian Series Bundle

Synopsis

From author Nicole Krizek comes a captivating series about an alien race called the Arathians. Strong and intelligent, these warriors will stop at nothing to save their race from extinction. Included in the bundle: Alien Savior, Alien Rescue and Alien Incursion. Alien Savior is the story of Kor and Ty, a mated pair that come across a rare Earth female being auctioned as a slave. Unable to deny her exotic beauty, and a chance to test her DNA, they buy her. What the males don't expect is the intense lust they feel for the small female and the protective urges that tell them to keep her safe at all costs. Alien Rescue features Rexvan, the Arathian Ambassador to the Galactic Alliance. Now onboard the Adastra with Kor, Ty, and Lacy, they discover another human female that makes Rex yearn for a life beyond what he's known. Will giving in to this temptation spell disaster, or be his salvation? Doctor Maggie Walsh is a top surgeon on Earth. As an academic, she never found a man worth her time. Suddenly she's faced with a fatal diagnosis which brings her face to face with a darkly handsome man, who claims he can cure her disease. But in return, he wants her to live in space forever. Alien Incursion is the story of Lukas, Jayda, and Deian. Princess Jayda has fought hard to become a respected member of the Arathian Defense. She has everything she always wanted, except for the one thing she didn't realize she needed: a mate to share her life with. She suddenly finds herself next to two males that ignite passion within her that goes far beyond her royal duties. Deian doesn't care that he's built a promiscuous reputation over the years, but now he's been bewitched by a Princess who makes him want to forsake all others. But will this devotion be challenged by the arrival of another male or strengthened? Lukas Ferguson, former Army Specialist turned Air Marshall, has his life changed forever when the plane he's protecting is suddenly drawn into space by alien slavers. Once he's safe aboard the Adastra, how is he supposed to feel rescued if he can never return to his home-world? More importantly, when he's surrounded by Arathians who are openly bi-sexual, how is he going to continue to hide the secret part of himself that yearns for the company of other men? Warning: The Arathian Series books contain scenes of: erotic sex, homosexuality, bi-sexuality, and heterosexuality between consensual (and eager) adults. M/M, M/F, M/M/F

Customer Reviews

Each book builds on each other in a way that makes it important to read them all together. I say this because way hands down favorite book in the series is the last one. Alien Incursion This story tells the tale of Lukas, an air marshal, who is saved by the aliens as his plane goes down and offers to help the aliens in their war (he is ex special forces) in order to protect Earth as well and to build a life in this new world since he can't return home. The plot of him using his unique knowledge to surprise the enemy doesn't really go anywhere which is a flaw but the romance is grand. Lukas is bisexual though he has suppressed the part of his nature that is attracted to men and he is now facing a culture that embraces bisexuality and homosexuality. His falling in love with both a female and a male in a poly relationship (also common in this culture) is well done and moving. I love it when the human in alien romance is male. The other romances Alien Rescue and Alien Savior are more typical of the Alien Science Fiction Erotic Romance genre but on the sweeter side with good world building. I really enjoyed all three and can't wait to read more by this writer.

This is a different way for humans and aliens to come together and the romances that it brings. There are some correlations between real life sightings and this fantasy story. It is very interesting without a bunch unnecessary sex scenes or page filler. Very enjoyable read.

It's unfortunate that there are only 3 books in this series. There is good background mythology, interesting cultural dichotomies between the aliens and Eathers, and intense love scenes. What's not to like? I will be anxiously awaiting more.

Just finished this trilogy and I could NOT put it down!!!! I loved how each story had their own H/H and sometimes +1. I loved how they threw in the Bermuda triangle!!! Excellent universe!!!
