It's so awesome!

It's new Archie!! Love this!!

My daughter loves Riverdale, the only thing is the book is much longer than the other ones she has. No big deal though.

Super gift!

Great communication and service. Thank you. I am very happy with my purchase.

Good read

This is simply parts collected from previously released volumes of the new archie comic series and others. One from Archie, one from the Jughead comics, etc. They are not complete stories and they do not tie into the tv series, because the tv show has it's own independent storylines and characters. This is merely a "sample" of the new Archie comic series and its spin-offs. The cover and title are misleading. The artwork on the cover represents the tv show, the artwork of the comic series is completely different. If interested in the different comic series, just purchase the collected volumes of those. (Archie, Jughead, Betty and Veronica, Sabrina, etc.)

I got it on time and it's pretty awesome, like a handy guide to the introduction of the new Archie series and extras. The only negative is that mine came with a little bend on the bottom corner but the pages are fine
