It helps a lot in studying

GOOD

Easier than the oldest edition

Arrived promptly and in excellent condition. This series covers vocabulary and is a good series to enrich students use of words and content!

I bought this book during Summer break for my daughter who became 7th grade. I regret that I didn't buy it earlier.

Great program! I use it on a regular weekly basis. It's also great as a challenge program for enrichment students (a grade level above normal).

This series is frequently used by my Korean students to prepare for English exams. I agree with them, that it is a good series.

Item arrived in very good condition as promised. I was pleased.
