The Liar: Eddie Flynn Book 3

Synopsis

A MISSING GIRL. A DESPERATE FATHER. A CASE WHICH WILL TEAR THEM APART. 'Plotting that takes the breath away' Ian Rankin 'A fantastic thriller writer' Mark Billingham * * * * * WHO IS DEADLIER ... Leonard Howell's worst nightmare has come true: his daughter Caroline has been kidnapped. He can't rely on the cops, so Howell calls the only man he trusts to get her back. THE MAN WHO KNOWS THE TRUTH Eddie Flynn knows what it's like to lose a daughter and vows to bring Caroline home safe. Once a con artist, now a hotshot criminal attorney, Flynn is no stranger to the shady New York underworld.... OR THE ONE WHO BELIEVES A LIE? However, as he steps back into his old life, Flynn realizes that the rules of the game have changed - and that he is being played. But who is pulling the strings? And is anyone in this twisted case telling the truth...? * * * *

*An ingenious plot, gripping action and characters who leap off the page: discover why readers love Steve Cavanagh: 'Cavanagh stands head and shoulders above the competition, with his skilfully plotted, action-packed and big-hearted Eddie Flynn novels . . . highly intelligent, twist-laden and absolutely unputdownable' Eva Dolan, author of the critically acclaimed Tell No Tales 'What a thriller! Breathlessly brilliant and fiendishly clever' Miranda Dickinson 'A cleverly constructed legal thriller combined with a classic locked-room mystery. Eddie Flynn is fast becoming one of my favourite fictional heroes and Cavanagh one of my favourite thriller writers.' S.J.I. Holliday, author of Black Wood 'Raymond Chandler could have created Eddie Flynn. THE PLEA is Phillip Marlowe and Michael Connolly's Mickey Haller combined, with a bit of Jim Thompson's THE GRIFTERS thrown in. A superb read with a main character destined to be one of the most talked about in crime fiction.' Howard Linskey, author of The Search *If you like John Grisham, Lee Child and Michael Connelly, you will LOVE the gripping and twisty Eddie Flynn series: 1. The Defence 2. The Plea 3. The Liar 4. Thirteen* Each Eddie Flynn thriller can be read as a standalone or in series order *

Customer Reviews

i loved this book! and i have loved every other one he has written. can't wait for the next one to come!

Fantastic holiday read!!!

This is the THIRD excellent legal thriller I've read in the last few months. In my reviews of both A Criminal Defense by William L Myers Jnr and Say Nothing by Brad Parks, I commented on the fact it's been a while since I've read any courtroom dramas / legal procedurals, but I've certainly been getting my fix recently and it's reminded me how much I loved early work by Scott Turow and Steve Martini. I've not read any of Cavanagh's series featuring Eddie Flynn before but I'm keen to rectify that now as I really enjoyed this novel, the third in the series. He's not your typical lawyer, though they never are, are they? But while Eddie's happy to skirt the rules where necessary he's essentially a good guy, who believes in justice. Cavanagh's created a likeable and complex character in Eddie, but I also really REALLY liked the plot. Well plots, I guess, because questions are being raised about an old case Eddie inherited from his practice's previous owner. And of course things which should be pretty straight forward (ie. paying off kidnappers, releasing old files for an appeal), are far from that. We're given information via a couple of players from the old case, which involves arson and the death of a baby, so we know what's coming and how things connect before the players in the book. As an aside, I occasionally forgot that they didn't know and wondered why they couldn't see the linkages,

which frustrated me just a tad. Cavanagh is seriously adept at the art of misdirection because in this outing he offers up many twists and turns and surprises than one could poke a stick at. If one was the type of person who poked sticks, that is. Just when we think we've got it sorted in our minds we're thrown off-kilter by a new revelation. I read the second two-thirds of this book in a sitting when I was planning to read but briefly. But I kept going and going, keen to unravel the complex mystery. Or two.

The Liar is the third book in the Eddie Flynn series. Having not read the others in the series I found this to work well as a stand alone. Saying that though I will definitely be going back to read the others. I have to admit to steering away from novels to do with court rooms and the legal system. I find they can be slightly long winded and have lots of jargon that I don't understand. I had absolutely nothing to worry about with The Liar though. This is one fast paced read in and out of the court room. The story gets off to an explosive start. I was dying to know more about the woman and child and where they fitted into the story. It's obvious that she hasn't had an easy life but I wanted to know everything and the author makes sure not to give enough away so that I was kept guessing through out. Eddie I liked straight away. He has a lot of compassion and believes in fighting for the truth, even taking into consideration the consequences it can have. Eddie has a lot of empathy with Leonard having been through similar circumstances himself. Eddie, even though a very loving father, puts himself in serious danger quite a few times. In a way I wanted to give him a good slap for risking his life but then I also had to take my hat off to him for going the extra mile as he had been to hell and back with his own family and he knows what Leonard is going through. The Liar is mainly set outside of the court room but even the parts that feature in it, I still found to be totally enthralling. The story literally starts off at a running speed and just carried on through out. Without a doubt this is one hell of a page turner. The author makes sure he has his readers gripped all the way through and doesn't disappoint with a powerful ending to the story that I didn't see coming. Loved it!
