Wounded (A Rylee Adamson Novel, Book 8)

Synopsis

"I like this book because it shows the true struggle to keep fighting for what's right and good in the world. Evil exists, and Rylee fights against it. But sometimes, evil wins a battle and her heart is broken. Somehow, she must find the strength to keep going. To keep fighting."-Loren Weaver

From HiJinks Ink Publishing and Shannon Mayer comes **WOUNDED (BOOK 8)** in **The USA Today Bestselling RYLEE ADAMSON NOVELS**. With over 1.5 million books sold, Shannon Mayer proves once again she can dominate her genre right out of the gate. "My name is Rylee and I am a Tracker." When children go missing, and the Humans have no leads, I'm the one they call. I am their last hope in bringing home the lost ones. I salvage what they cannot. The clock is ticking and I can feel the weight of the final battle with the demon hordes looming over my head. The puzzle pieces are becoming clearer, but the casualty list is growing. And with each name that is added to those we've lost, my confidence cracks a little more. Yet there is hope. A child saved. A life lost. A prophecy fulfilled.

Customer Reviews

I must admit to feeling a little incomplete at the conclusion of this latest installment. I must admit to reading it completely within the first day. I am quite addicted to the entire series and am now a little sad I have to wait again until the spring for the next book. In this book we lose one of the main characters. Because this happened towards the very end of the book I feel like there could have been so much more to say before leaving off. I wasn't thrilled with where the story was left this time for sure. A lot of different things are happening with Rylee and I will definitely be waiting with baited breath for the next release, just as I was this one.

okay, I read this one so fast my head is spinning. Tragedy. Despair. There is no way to review this book without giving out spoiler after spoiler. So many of Rylee's closest friends are lost to her in this tragic book by Mayer. And more than friends are taken from her. Rylee is tough, but she has been battered and bruised. She has lost loved ones and things just keep getting worse for her...even the love of her parents was taken from her.. the deepest part of her heart, she had always wished to be loved by her parents; for them to know that she wasn't responsible for Berget's disappearance...But even the chance to reconcile with them is crushed before her eyes. Berget is losing control to the ancient vampires she has kept trapped inside her. Every time she uses their knowledge to help Rylee, they grow stronger; Rylee will have to put her beloved sister down like some rabid animal...And soon. Demons are tearing through the Veil in mass. Their plan is to terrorize the human world. And then Orion would step in and "save the day" making him a hero...a king. But Rylee and her army of supernaturals fight and die to foil the insidious plot. This book ends in partial triumph. Orion is thwarted. But even though he failed to make it through, all of the death and pain are only a stop gap...he is not truly beaten. Just delayed for a few months. The price for the reprieve is too high. Rylee is heartbroken. She limps away with a select few. She needs time. She needs a place to recuperate. She needs a place to mourn. She needs a place to hide where she will have a tiny bit of joy. It will be the only good thing that comes out of her life long battle. It will be the only good thing out of all the tragedy. Pamela. The strongest young witch ever, walks the razor edge of falling to the darkness of her powers. She is forced to do things that no teenager (witch or normal) should have to endure. She blames herself (unjustly) for the thing that hurt Rylee beyond measure. She is so ashamed of what she had to do...there was no other choice. It was what she was FORCED to do..She has done the right thing, but the burden of what she has done may be her undoing. The next

book coming from Miss Mayer is called Darkness rising. I can't wait to read it. But I dread what may be coming....Miss Mayer, you're Awesome.

I think book 8 just blew my melon! If you haven't read this series, please start from book one Priceless. It must be read in order or you'll be lost and things will be spoiled!After you read book 8, you MUST read book 8.5 Stitched before reading book 9, otherwise you'll miss important info from the story line.Now on with my VERY SPOILER RIDDLED review! Ye be warned!!! I have to say bravo to Shannon to being brave enough to kill her characters. Some authors don't have the stomach for it which can lead to a dull, "the world is all rainbows and ponies" story. We knew it was coming though, his death has been part of every prophecy from multiple sources. But I still can't believe Liam died. I sure wish my kindle was waterproof because this was devastating! I thought he would have at least took the time to tell her she was pregnant BEFORE he died, not as he was dying! I was a little annoyed that through the series, everyone Liam ran into knew he was going to die but Rylee never heard it. Some even spoke of it right in front of her! (Even if it was through Liam's mind.) Then others knew she was pregnant and Liam made sure nobody would spill the beans. But Rylee didn't know! And when I read the part telling him he would die within a week?? UGH! I love this story and you gutted me Shannon! If you can't tell, I'm really upset by Liam's death.But all may not be as it seems...tune in to the next book Rising Darkness and you may get a piece of a character back...which is all I shall say about that.

When you have fell in love with of Rylee's family/clan and you know them all by name without looking them up in the book to me that is some amazing writing it is write up there with the Anita Blake series and Mercy Thompson series with all but kicking heroines now to my review on Wounded it was another home run for Shannon I loved it. WARNING!!! (before you start reading grab tissues)when a writer can make you laugh, angry,happy,and cry you got one hell of a series this book broke my heart but i have faith in Shannon everything happens for a reason. I just cant praise this book and series enough and for me to put it up there with Anita Blake and Mercy Thompson series they are the best out there in my opinion and Shannon Mayer is there equals with Rylee's story as well as her friends/family goes to show just cause you don't have the same blood type cant mean your not family .I would give you all the stars i can for this series its that good this is a series that's a part of me now i feel like i am transported into the books every time i read one . Thank you for your amazing writing Shannon Mayer.
