Get Rid Of Dandruff Subliminal Affirmations: Dermatitis & Psoriasis, Solfeggio Tones, Binaural Beats, Self Help Meditation Hypnosis

Synopsis

Be free from embarrassing dandruff flakes. Soothe your scalp and bring relief to your body. Finally feel confident wearing dark colors. You can get rid of dandruff today. This subliminal hypnosis program works for you on three different levels - positive affirmations will be spoken during your deepest state of open relaxation, low binaural beats that are almost imperceptible to the human ear work with your subconscious mind to anchor the positive affirmations to help you get rid of dandruff, and ancient Solfeggio tones encourage healing and wholeness with powerful harmonic frequencies. Along with seven different soothing sounds of nature, these three elements combined together are the triad of positive change that will propel you toward a better future. Get Rid of Dandruff Affirmations in this program are: My scalp is healthy I resist the urge to scratch my scalp Every breath I take fills me with peace I will take care of my body I am relaxed My body is strong I am free from dandruff I take care of my scalp and hair Personal hygiene is important to me My skin is soothed Instructions: There are no relaxation suggestions in this subliminal hypnosis program, so you can listen at any time of the day or night. You may listen to the entire program as a whole or select only specific nature sounds that you enjoy most - the positive affirmations will still be effective for change.
