TRAVEL GUIDE SOUTH AFRICA -Important "Links" And Pictures - Cape Town, Kruger Park, Garden Route, Pretoria - Personal Experiences

Synopsis

Two weeks are not enough to visit South Africa with its unforgettable coasts and mountains, as well as many National Parks and Animal Reserves along the Garden Route. Enjoy my humorous guide with helpful "links" for a wonderful time there. Here I have written about my trip and included some photos. I want to help others know that you can travel secure and feel safe in South Africa and that the nature there, as well as the animals, are worth seeing.

Customer Reviews

Has this reviewer actually visited South Africa? Very rudimentary guide riddled with factual errors. I would recommend something a bit more advanced for someone wanting to visit.
