Great book. An easy fast read. If you like The Moth podcast, or oral storytelling in general, or simply want people at your job to listen to the random tales of your everyday life more, this is a fun and informative read.

This book is FANTASTIC. Super helpful, super inspiring! It is a wonderful read, and there are terrific exercises to do throughout the book! Highly recommend it.

This is a helpful book and fun to read. Probably the most enjoyable aspect of the book is that it prompted me to watch Margot's stories on You Tube. She is very entertaining.

Good content and relevance

Easy to digest and then apply its principles. Highly recommend for people wanting to take their storytelling skills to the next level.
