Pete The Cat: Scuba-Cat (My First I Can Read)

Synopsis

New York Times bestselling author and artist James Dean brings Pete the Cat's world to life under the sea in this new I Can Read book. Pete the Cat is going scuba diving! Before he hits the water, Captain Joe tells him about all the sea creatures he can encounter, and Pete is super excited to see a seahorse. But when he is suited up and swimming around, he has to search high and low to find the little guy. In this aquatic adventure, Pete makes a new friend and gets a big surprise! Pete the Cat: Scuba-Cat is a My First I Can Read Book, which means it's perfect for shared reading with a child. New readers will love the easy-to-read format and groovy illustrations in Pete the Cat's first I Can Read underwater journey!

Customer Reviews

Check out all the way-cool ocean creatures while Pete searches high and low for his favorite fish—a seahorse!

James Dean's art has sold in more than ninety galleries and shops across the United States. He has devoted his paintings to Pete the Cat for fifteen years and has turned his natural love for cats into his life's work. James published his first adult book, *The Misadventures of*

Pete the Cat, a history of his artwork, in 2006. He illustrated his first self-published children's book, Pete the Cat: I Love My White Shoes, in 2008, and the follow-up book, Pete the Cat: Rocking in My School Shoes, in 2011. James lives in Savannah, Georgia, with his wife, four cats, and one dog. You can visit him online at www.petethecat.com. "Can we read it again RIGHT NOW?!!!" asked my four year old emerging reader, upon finishing this book! It was an instant hit! Synopsis: Pete is on an adventure to see many ocean creatures, but especially a seahorse, after the captain whetted his appetite by telling him about it. As he traverses the wide ocean world, he discovers many interesting fish and places but never seems to put two-and-two together that there is a seahorse following and tickling him the whole journey through! Of course at the end, it all comes together! The children giggled, and their mother loved that they were learning about all kinds of aquatic animals as we went along! If you enjoy this, another hearty recommendation would be the "hilarious" book *May I Please Have a Cookie?* (Scholastic Readers, Level 1) and if you were looking to reinforce the educational aspect of Pete the Cat Scuba-Cat, check out this beautiful book: *Over in the Ocean: In a Coral Reef*.

Although I was in the education world years ago, I had never heard of Pete the Cat until my oldest son started Kindergarten. After he begged me to get these books, I started liking some of them a lot. I have bought a few that I feel are literally pointless or complete copies of other stories (Halloween one!), but this one is a pretty good one. I like that it is a cat going scuba diving... that's funny to the kids. Plus, the entire seahorse part is funny to the kids as well. So, definitely entertaining and has some educational parts that the kids find interesting.

I am currently working with my 3YO who is learning to read, and loves Pete the Cat, so this book seemed like an ideal choice for us. While he did love the story I would not say that this is suitable for emergent readers. There are some difficult/complex words which can be off putting for a child who

is still learning and working on word identification. We bought this in Kindle book format which has the added advantage that you can increase the text size by double tapping on the text to highlight it. This is a really good idea, but we could not take advantage of it because when you use it on the iPad my son can't follow the words with his fingers - this is just the price that you pay for a book on the iPad. So in summary - a nice story, that is probably a little complex for emergent readers and possibly not the best choice for an iPad.

My 6 year old granddaughter loves Pete the Cat. She's a beginning reader and Kindergartener, and she can manage most of the book without help. It was fun reading it with her.

Perfect for my 4-year old who has just started reading. The repetitive characters are great and she really likes them. The books are relatively short and the pages are one or two lines. Perfect for new readers with easy words and relatively few difficult words.

My 4 year old's pre-k was doing Pete the Cat themes and he fell in love with cats. I bought this and a set of more of them and he was super pleased. The art is adorable and colorful and the cat characters always look calm and gentle. The story keeps his interest.

"Read it again Mommy, again!" That's my little daughter who can't get enough of this book every night before bedtime. She loves to call out the different sea creatures Pete the Cat encounters with each page, looks concerned when the cave becomes very dark and he can't find his way out, then smiles from ear to ear when he finds a way out of the cave and finds out what's been tickling him during his dive. This is the first Pete the Cat book we've bought for her, and it definitely won't be our last! Great to read to your preschooler!

A silly little story, my 3 year old loves it. The book is a good length, not too long to read twice when your kiddo says "again, again!!!"
