Andersen's Fairy Tales

Synopsis

Originally published in 1991, this stunning collection of classic fairy tales by Hans Christian Andersen, illustrated by internationally acclaimed artist Lisbeth Zwerger, has been expanded with three stories. It is also completely redesigned in the same handsome format as the artist's recently published *Alice in Wonderland*, *A Christmas Carol*, and *The Wizard of Oz*. The artist has selected eleven of her favorite tales-familiar stories such as "The Emperor's New Clothes," "The Princess and the Pea," and "The Nightingale," as well as lesser-known stories, such as "The Sandman," "The Jumpers," and "The Rose Tree Regiment." All are illustrated with Zwerger's signature style-marked by wit, grace, elegant simplicity, and insouciant charm.

Best Sellers Rank: #1,868,884 in Books (See Top 100 in Books) #53 in [Books > Children's Books > Fairy Tales, Folk Tales & Myths > Collections](#)

Customer Reviews

Hans Christian Andersen's *Fairy Tales*, edited and illus. by Lisbeth Zwerger, trans. by Anthea Bell, originally published in 1991, includes three additional stories, and its new design matches Zwerger's *Alice in Wonderland* and *The Wizard of Oz*. The 11 tales include the familiar ("The Little Match Girl") and the lesser-known ("The Sandman"). Zwerger's signature watercolors come alive in full-page illustrations elegantly and simply framed in a band of white. From grief-stricken Thumbeline leaning over the dead swallow to the self-deluded, nearly naked emperor admiring himself vainly in the mirror, the artwork conveys a range of emotions. Virginia Andersen (Coronado, CA) is a freelance author and writer who has written or contributed to

nearly 25 books about PC-based applications, including many student tutorials and accompanying instructor manuals with exercise disks. Virginia is certified as a Microsoft Access MOUS Expert. She has over 25 years experience in computer science applications, analysis, and engineering - including extensive technical writing and editing. Her government and defense projects include lunar mapping, reliability engineering, undersea surveillance, weapon system interface simulation, and naval communications. Her civilian projects include computerized project management and horse race handicapping. She holds a M.S. in Systems Management, University of Southern California, an M.S. in Computer Science, University of Southern California and a B.S. Mathematics, Stanford University. Lisbeth Zwerger was born in Vienna, where she later studied at the Academy of Art. Internationally renowned as one of the finest contemporary illustrators of children's literature, Zwerger chose ""The Gift of the Magi"" as the first American story she illustrated. Anthea Bell (translator) is the recipient of the Schlegel Tieck Prize for translation from German, the Independent Foreign Fiction Prize, and the Helen and Kurt Wolff Prize in 2002 for the translation of W. G. Sebald's ""Austerlitz"", and the 2003 Austrian State Prize for Literary Translation. She lives in Cambridge, England.

Love the book.
