Customer Reviews

Perfect and well needed -- my family lives in different counties in Maryland and this covers them all. Great for my business as well as I am always looking up where new customers live when in my car doing deliveries.

Thanks, finally a Baltimore map that doesn't cost \$100, it's older than I'd like but suits my just fine.

I bought this book for a young adult moving into a new city. When it came in the mail to me, I found it extremely easy to use, and I would expect it to be nearly impossible for her to get lost in Baltimore now!

the most professional service. good product with high quality. as a gift to Tommy, arrived on time, nice package, really like the product very sharp well balanced, good heft enjoyed using it very much recommend it to my friend.
