Sir Dalton And The Shadow Heart (The Knights Of Arrethtrae)

Synopsis

Sir Dalton, a knight in training, seems to have everything going for him. Young, well-liked, and a natural leader, he has earned the respect and admiration of his fellow knights, and especially the beautiful Lady Brynn. But something is amiss at the training camp. Their new trainer is popular but lacks the passion to inspire them to true service to the King and the Prince. Besides this, the knights are too busy enjoying a season of good times to be concerned with a disturbing report that many of their fellow Knights have mysteriously vanished. When Sir Dalton is sent on a mission, he encounters strange attacks, especially when he is alone. As his commitment wanes, the attacks grow in intensity until he is captured by Lord Drox, a massive Shadow Warrior. Bruised and beaten, Dalton refuses to submit to evil and initiates a daring escape with only one of two outcomes—life or death. But what will become of the hundreds of knights he left behind? In a kingdom of peril, Dalton thinks he is on his own, but two faithful friends have not abandoned him, and neither has a strange old hermit who seems to know much about the Prince. But can Dalton face the evil Shadow Warrior again and survive?

Customer Reviews

“With sanctified imagination, Chuck Black transports readers back to the days of chivalry

and valor, clashing steel, and noble conflict. But ultimately he transports readers to the eternal triumph of the King who reigns!

— Douglas Bond, author of *HOLD FAST In a Broken World*, and *Guns of the Lion*

“Chuck Black is a word crafter who is able to weave Kingdom principles into the fabric of one’s moral imagination. The characters he has created and the passions they exude, will motivate readers to follow their examples, which have now been etched into their awakened conscience.

— Mark Hamby, Founder and President of Cornerstone Family Ministries and Lamplighter Publishing

“Chuck Black is the John Bunyan for our times! *Sir Kendrick and the Castle of Bel Lione* is a reminder of the origins of the spiritual warfare we are to fight daily.

— Jaci Flanders, inductive Bible study teacher and homeschool mom

“Not since C.S. Lewis’s *Chronicles of Narnia* have any fictional books boosted my faith so much. They make me cry with joy for what the King and the Prince do. They let me see our world through new eyes. I can’t wait to read the *Knights of Arrethtrae* series and experience more. The King reigns and His Son!

— Sophia, an avid reader

“I was so caught up in the books I would not do anything but read them. They were amazing—full of action, a little romance, and most of all, a love for the King and His Son. They made me feel as though I was truly traveling with the main character on his noble quest to spread the word of the King and His Son and standing in the middle of the Great Kingdom Across the Sea. I plan on reading the books over and over again. I loved the series so much!

— Ethan, an avid reader

Have you ever doubted when it comes to Christianity and the Bible? Well this epic adventure is one book you don’t want to miss!! It’s about a young knight of the Prince, Sir Dalton, who’s got popularity, a potential love (Lady Brynn), and skills just waiting to be developed but something is missing in his life. Also, He and all the other knights, except for two, at his local haven don’t seem to be worried about some other young people who start disappearing while on missions. One day, Sir Dalton gets attacked and captured by Lord Drox, an evil Shadow Warrior. Can Sir Dalton break out

of the bonds holding him down or will he be a prisoner forever? This was the third book in the Knights of Arrethtrae series and was as engaging as the first two. I liked how Chuck Black started the book off at the middle of the story and then did a flashback. This technique worked really well by grabbing my interest right off the bat. The theme of the book was helpful and thought provoking. When I was younger, I remember having problems with what the theme addresses and really wish I had read this book then. I also like the mysterious mountain hermit that helps Sir Dalton. I would recommend this book to teens and older kids who have trouble with doubt in their lives. I know this book will encourage and teach you to be a stronger Christian.

The "Knight Series" and the "Kingdom Series" are both FABULOUS book series and I HIGHLY RECOMMEND them for all ages of readers. Some of the words the writer chooses to use do require a certain level of knowledge and understanding. The stories are absolutely wonderful and hard to put down. Mr. Black is a wonderful writer with a gift for story telling. There is never a dull moment in his books. It is amazing the character lessons he is able to portray in the Knight series. A truly wonderful set.

Gave the series as gift to a 10 yr old; he was excited.

My 15 year old son loves these books. He is reading at every opportunity and reports all the exciting details along the way. He has read the entire kingdom series and is on the 3rd book of the Knights series. He is saving up for the rest and is already looking forward to the new series that comes out soon. Chuck Black is truly a captivating writer!

Love all these books in the series!

My son started reading the Kingdom Series in 4th grade and has really loved this series even more. He finished the first 3 books in the series in 3 weeks. They really resonated with him. I will be buying the next 3 books in the series.

excellent condition

This is also a gift, but knowing my grandson, he will just love it. Many thanks
