Sarawak, Brunei, And Sabah Travel Reference Map 1:620,000 (International Travel Maps)

Synopsis

At last! This is the new artwork covering northern Borneo in detail. We used to have two maps for this area, but have combined the artwork into one double-sided map covering the same area as formerly, but as one map, and with greater consistency in colouring and style. The base artwork has been updated and readability improved. This is a new map, in that ITMB has never had a title exactly like this, but it is an update in that we have had this artwork available before, which justifies the 2nd Edition label.
