The Swap: A Nicole Graves Mystery (Nicole Graves Mysteries Book 1)

Synopsis

When Nicole Graves arranges a summer-long swap of her Los Angeles condo for a London couple's house, she thinks it's the perfect arrangement. She's always dreamed of seeing the real London; she's also hopeful the time away with her husband Brad will be good for their troubled marriage. But things don't turn out the way Nicole expects: The Londoners fail to arrive in L.A. and appear to be missing. Then people begin following Nicole and making threats, demanding information she doesn't have. Soon, Nicole realizes she's in serious trouble but she can't get Brad or the police to believe her. When the confrontations turn deadly, Nicole must either solve the case or become the next victim.

Customer Reviews

Fast moving mystery chasing Nicole around London trying to keep her alive as she gets into trouble everywhere she goes. Trying to save her marriage and stumbling into kidnappers and drug lords keeps the reader involved and not wanting to put the book down.

This is a really good read. Well-written and well constructed storyline with plenty of surprises. Just what I want from a mystery. It'll be a great beach/vacation read.

Great story with lots of twist and turns. Liked the main character , the setting of London was great. a good read. Looking forward for more from this writer.
