Customer Reviews

This really helped us plan our Disney vacation and my kids loved looking at the photos and talking about what we were going to do, and did when we got back.

Thought that it would have more information than available on chat boards on line, but it did not. Reviews mentioned discounts in the book, but there were none.

Listing says there's a kingdom keepers quest but it was not in the guide, incorrect information.

Great general and insider information on the Disney World theme parks and easy to fit in bag to take along with us!

Most of the information is found elsewhere. May not be necessary to carry in the parks as a pocket guide.

Have always ordered a book before our trips to Disney. Loved that it is now in a paperback.

wonderful, very detailed book, will be very useful when we get to the park. Nice and compact so we can carry it anywhere.

all you need to know and more.
