Spread (A Club Deep Story)

Synopsis

Welcome to Club Deep-- the hottest, dirtiest club on the block. And my brand new home. I didn't mean to audition for a job as a GoGo Dancer. It was an accident-- I was only trying to encourage my nervous friend. She's the one who really wanted the job! I guess I made an impression, though... because the club owner hired me on the spot. When I hesitated, he tempted me with a huge salary; WAY more than anyone else. Why is he so interested in me? And what happens when he pulls me off stage and corners me in a dark room? This is part of the Club Deep series-- all standalone novellas, all set in the naughtiest place around. Feeling daring? Then come on in... P.S. Like my other books, these contain NO cheating, tons of heart throbbing heat, and the best kind of happily ever afters around.

Customer Reviews

Another sexy & single Club Deep owner gets his HEA in this second short & steamy addition to this smuttastic series. This time the innocent drawn unknowingly into the temptation that the club offers is

a dancer, who after a very special form of encouragement & incentive (insert fanning ones self here) takes the job. I mean, who wouldn't...Mild angst & a character I personally wanted to punch in the face later... and we've got only one single Club Deep owner left.Bring on book three.

I am so enjoying the Club Deep series. Spread is a short...hot....steamy addition to the series. Penny actually makes you feel like you are there watching! Can't wait for the next book in the series!***I received an arc for my honest review***

I loved it!! Amazing addition to the Club Deep series. Hot and steamy with just the right amount if story line in between. Fans of Penny Wylder and edpecialky the Club Deep series wont want to miss this!!!

Full of crazy public sex but some really hot and cute scenes. Really love the chemistry between Libby and Julian..Love how before Libby becomes more open to new experiences compared to her shy self.

Hello, Little Dancer. Gosh I love Libby and Julian Chemistry. This book got me bothered from start till finish. At one point I had my tongue out and I wasn't even aware. Ha ha. Great Read.

Spread (A Club Deep Story)Great spark between the two. Heart pounding chemistry. I love that he's her white knight in a way. Her friend needs some help.

Interesting plot could have been better and needed better editing. I twill keep your interest however the plot and out come are fairly transparent.

This book had a great storyline with instant attraction. A very intense story with a sweet happy ending. Great read.
