Born Again: What Really Happened To The White House Hatchet Man

Synopsis

Born Again is the autobiography of one of the most influential men of our time. It is not only a remarkable story of one man's redemption in Christ, but a fascinating look inside the events of one of America's most riveting sagas. In the 1970s, against the backdrop of the explosive Watergate scandal, Charles Colson revealed the story of his own search for meaning during the tumultuous investigations that led to the collapse of the Nixon administration. A convicted former special counsel to the president, Colson paradoxically found new life - not with success and power, but while in national disgrace and serving a prison sentence.

Customer Reviews

Great read! Mr Colson is an honest man, I think he was railroaded by Watergate, it worked out well. This book especially, along with his many others, have opened my eyes. RIP Sir, and thanks.

This is a very excellent book that has open and challenged my life. It is worth sharing and passing around. Dorothy Schultz
