California Contractors License Law & Reference Book: 2008 Edition

Synopsis

The California Contractors License Law & Reference Book is a must-have resource for anyone interested in becoming licensed as a contractor in California. Created in conjunction with the California Contractors License Board, this is an exceptional resource. The new edition includes the related laws and regulations required to obtain a contractors license, together with critical information on maintaining an existing license, managing a business, and a valuable list of additional resources. The publication also includes a comprehensive table of contents, a table of sections affected by new legislation, and an index.

Shipping Weight: 1.3 pounds

Average Customer Review: 5.0 out of 5 stars 1 customer review

Best Sellers Rank: #1,037,953 in Books (See Top 100 in Books) #89 in Books > Law >

Business > Construction #1221 in Books > Law > Specialties

Customer Reviews

This is a great book for a lawyer or a contractor that may be doing some work that want to check to make sure he is doing everything legally. This is written for lawyers I guess. I bought it for the CSLB contractor license exam and it was way overboard. I never had a chance to open it because the book arrived 2 days before my exam but I still passed the exam but looking through a couple of important chapters of this book briefly. Not sure how much has changed from this to the new versions but I would call it a must have for any general contractor and subcontractor in California.
