Rug Hooking Magazine is the premier publication for hooked rug enthusiasts. It is published five times each year and produces high-quality instructional books written by the top artists in this textile field. Within its pages readers find start-to-finish projects, beautiful photographs of fine hand-hooked rugs, and informative articles on a variety of topics, from history to techniques to artist profiles. Find out more at their website: www.rughookingmagazine.com. Susan L. Feller is internationally known as a fiber artist and teacher. She teaches at rug hooking workshops and schools around the country and in her home studio in Augusta, West Virginia. A frequent contributor to Rug Hooking Magazine, she serves on the executive board of national and international rug hooking associations ATHA and TIGHR.

I have some experience with rug hooking, and I only work on my own designs, so I was interested in the book. I'd seen a number of the author's rugs in shows and they always caught my eye as

something special. The book is great for expanding my sometimes dull mind to consider different sorts of designs I've done in past, encourages me to be more inventive. Nice discussions of use of line and color.

Great book received quickly

Excellent book for those interested in furthering their study of rug hooking

Perfect!

wonderful book - great ideas

Very well written, it really introduces and holds you into the basics of design. Important and useful not only for rug making. Interesting, useful and I should say, academic exercises to make any concept clear. Wonderful illustrations. Inspiring projects. I'm proud of my choice to buy it. In a word: excellent.

I bought this book because I am signed up for a class with the author this summer. A good investment on my part because, although I am a little intimidated with the topic, Ms. Feller's approach and fundamental approach to design skills is very readable. I am now looking forward to the class. Thank you Ms. Feller for making me feel more comfortable with the subject!

I got this to adapt the lessons on design to the craft of locker-hooking, similar to rug hooking. I was so inspired by the detailed explanations of how to create your own rugs based on sound design basics and the sample rugs pictured in the book, that I am going to learn rug hooking as well! Beautiful and unique rugs and their creators are featured.
