## Customer Reviews

This book continues the fun and humor of the first one. Plus the characters are so realistic. I really liked it. Please put me in the next book. My name is Will.

Our 10 year was not impressed. Too short and not enough of a story line.

Hey Dr. Block. It's me again, Harrison. I really like your book. Maby more than anyone. Can I request three things? One, this is a suggestion. Can you make Clayoton be responsible for the mutated squid attack and be sent to jail and the police open the park again? Two, can you add an acknowledgement page and include me in it? Three, can you put me in the third book as one of the police that helps Jimmy solve the case of who was responsible for the squid? Thanks Dr. Block. You don't have to add everything. I won't be mad. I will just be a normal reader. Bye. Harrison. Btw do you have a minecraft server of account? I'm out
