Words You Should Know To Sound Smart 2018 Daily Calendar

Synopsis

From bestselling author Robert W. Bly, this calendar delivers a word a day that can help build your vocabulary. What budding scholar doesn't dream of debating philosophical precepts with the intelligentsia or locking academic horns with the clerisy? You can do all that—and be the life of every highbrow cocktail party—by mastering the deliciously obscure terms in this most compendious of calendars. Soon, you'll be tossing about bon mots with the best of the artistes and aesthetes—and impressing the susurrations out of the perfervid hoi polloi—in no time! With this daily calendar, you are only an erudite witticism away from true loquaciousness.
