Fitzpatrick's Dermatology In General Medicine, Eighth Edition, 2 Volume Set

Synopsis

Doody's 2015 Core Title! The landmark dermatology text that bridges the gap between science and clinical medicine—updated for today's practice. Generations of clinicians, skin biologists, residents, and educators have acclaimed Fitzpatrick's as the most authoritative and complete guide to dermatologic basic sciences, histopathology, diagnosis, and treatment. Edition after edition, it reflects the latest insights into skin diseases and skin biology and their practical relevance to general internal medicine while covering the scientific foundations of the specialty. This classic yet cutting-edge text is supported by the expert insights of more than 500 internationally respected contributors, and it covers everything dermatologists need to know about skin, dermatologic signs of underlying disease, and the management of all skin diseases, including acne, skin cancer, and psoriasis.

FEATURES More than 3000 full-color photographs DVD with image bank includes downloadable figures from the text New illustration style makes difficult concepts easier to understand Therapeutic ladders with first, second, and third line therapies New or thoroughly revised chapters on Psoriasis; Skin disease in immunosuppressed patients; Epidermal stem cells; Hair growth disorders; Neonatal, pediatric, and adolescent dermatology; Radiotherapy; Immunobiologicals and cytokines; Lasers for rejuvenation Expanded medical and surgical therapeutics sections guide you through all treatment options

It was a great price for the product and it was exactly what I expected it to be. Love it

used the book as intended; no blank spaces encountered

I got my book much earlier than expected and I was therefore impressed

Excellent textbook, highly recommended. Excellent sent me arrived perfect. I recommend it to whoever is looking for a text on dermatology. Thank you very much .

It was very helpful

Essential.

Quick delivery and as described!

This an excellent textbook for having it at home for reviewing, very organised and above all: updated. It's a hardcover which means its good quality and it will last.
