PTCE - Pharmacy Technician Certification Exam Flashcard Book + Online (Flash Card Books)

Synopsis

REA's PTCE (Pharmacy Technician Certification Exam) Flashcard Book Updated Second Edition 500 Questions & Answers You Need to Know This latest addition to our Health Sciences series of flashcards is designed to help PTCE candidates check their test-readiness before taking the Pharmacy Technician Certification Exam. Unlike most flashcards that come in a box, our cards are bound in an easy-to-use, organized book that makes it convenient to study anywhere. Written by a seasoned pharmacy technician instructor and based on the most recent exam, our study supplement covers everything you need to know for the PTCE: assisting the pharmacist in serving patients, maintaining medication and inventory control systems, and participating in the management of pharmacy practice. The flashcards are broken down by PTCE test topics and include multiple-choice questions with detailed answer explanations. The questions are similar to what you may encounter on the PTCE. The 500 flashcards are divided as follows:

- * 200 flashcards focused on the top 200 brand/generic drug names including their respective drug classes, indications, side effects, and special considerations
- * 50 flashcards focused on pharmaceutical terms and abbreviations
- * 250 flashcards focused on PTCE review material:
 - 165 flashcards on Assisting the Pharmacist in Serving Patients
 - 55 flashcards on Maintaining Medication and Inventory Control Systems
 - 30 flashcards on Participating in the Administration and Management of Pharmacy Practice

After studying with the book, go online and review what you have learned at REA's Study Center. Our customizable e-flashcards and 3 practice quizzes give you the freedom to create your own PTCE study plan and study anywhere, anytime. You can also create your own unique flashcards for any sections of the test that give you difficulty. This flashcard book and the online tools that come with it, will help you personalize your PTCE prep by testing your understanding, pinpointing your weaknesses, and delivering flashcard study materials unique to you. If you're a pharmacy tech student and want extra practice and review before the exam, REA's PTCE Flashcard Book is the right Rx for your study needs.

Customer Reviews

Della Ata Khoury holds a Master of Regional Economics and Social Development, a bachelor's degree in Political Science, and a bachelor's degree in Biological Sciences, all from the University of Massachusetts in Lowell. Della supplemented her education with practical experience, working as a hospital pharmacy technician for 12 years. In 2001, she obtained her national pharmacy certification through the Pharmacy Technician Certification Board (PTCB), becoming one of the earliest certified technicians in Massachusetts. In 2010, Della moved on to instructing pharmacy technician programs at the LARE Institute in Andover Massachusetts (a branch of American Training) and Lincoln Technical Education in Somerville, Massachusetts. Della has taught for more than 5 years and has presented several continuing education topics specific to pharmacy technicians at national and state conferences. In 2015, she was one of 14 outstanding writers chosen by the PTCB to participate in the Remote Item Writing Drive to develop new test content for the Pharmacy Technician Certification Exam.

Welcome to REA's PTCE Flashcard Book Being a Pharmacy Technician is a rewarding career, and REA wants to help you succeed on the Pharmacy Technician Certification Exam (PTCE). Our flashcards are based on the content tested on the PTCE and will help you test your knowledge in all nine domains of the exam. This book includes 500 flashcards divided as follows: 200 flashcards focused on the top 200 brand/generic drug names arranged in order by most popular drugs for 2015, including drug classes, indications, side effects, and special considerations 50 flashcards focused on pharmaceutical terms and abbreviations 250 flashcards focused on PTCE exam content and organized as follows:- 165 flashcards on assisting the pharmacist in serving patients- 55 flashcards on maintaining medication and inventory control systems- 30 flashcards on participating in the administration and management of pharmacy practice These flashcards include multiple-choice questions with detailed answer explanations and are similar to what you will

encounter on the PTCE. The online REA Study Center includes: 3 quizzes made up of questions from the book, with the added benefits of powerful scoring analysis and diagnostic tools that identify your strengths and weaknesses to help focus your study. e-flashcards - Use the REA Study Center to create your own unique flashcards, adding to the 150 e-flashcards included with this book. And, since you can access them online or on your smartphone, you can practice anytime you have a free moment.

How to Use REA's PTCE Study System There are many different ways to prepare for the PTCE. What's best for you depends on how much time you have to study and how comfortable you are with the subject matter. To score your highest, you need a study system that can be customized to fit you: your schedule, your learning style, and your current level of knowledge. This flashcard book and the accompanying online tools will help you personalize your PTCE prep by testing your understanding, pinpointing your weaknesses, and delivering flashcard materials unique to you. REA's PTCE flashcards are an excellent way to refresh your knowledge and check your test-readiness before exam day.

Let's Get Started:

Review the Flashcards in the Book: Study the flashcards in the book. See how much you know about the content tested on the PTCE.

Test Yourself and Get Online Feedback: After you review with the book test yourself with our three quizzes available at the REA Study Center (www.rea.com/studycenter). These online quizzes are made up of questions from the book and have the added benefits of powerful scoring analysis and diagnostic tools that identify your strengths and weaknesses. Detailed score reports show you what you already know and pinpoint where you need to spend more time studying.

Improve Your Score with e-Flashcards: Armed with your score reports, you'll be able to see which areas you need to review. Use this information to create your own e-flashcards for the areas where you need additional practice. And, because you will create these flashcards through the REA Study Center, you'll be able to access them from any computer or smartphone.

Not sure what to put on your e-flashcards? Our PTCE e-flashcards come with 150 of the book's flashcards to get you started.
