Customer Reviews

I must admit that though I haven't had time to read the complete anthology, I had to stop and write this rave review for *Many Manners, ÆfÂçÃ â Æ ÆœA Pocket of WishesÃfÂçÃ â Æ Æ,,ç*, which captivated and enthralled me from the beginning. This being the first book I've read by this talented author, I'm now a devoted fan of her down south charm, woven throughout a story of unexpected new love, that seemed would never be fulfill until God stepped in. Just as God tells us to wait no matter our age, and we have trouble believing He will work all things together for those who love Him and are called His, so within this sweet Christian romance, we see a blueprint for the haphazard way we discover that doing as asked, the blessings we wish for will happen BUT only in His perfect time. Paula Rose Michelson writes Inspirational Christian Romance, Psychological Suspense Thrillers, Nonfiction, Self-help, and works to encourage. Her Kindle eBooks & Paperbacks are available on .

Grab your picnic basket, blanket and book. Delightful inspiring romances with scrumptious pie recipes. Stories sprinkled with love and served with a portion of kindness, faith and redemption. Jan Elder's romance was a Maine moostacular. In *Zara's Folly* will lightening strike twice in the same

place and endanger the horses? Mary Manners has a lucky penny in *A Pocketful of Wishes*. Cecelia Dowdy's *Sweet Delights* is an award winning Banana Cream Pie. Autumn Macarthur challenges the reader to revisit Proverbs 31. A wife of noble character speaks with wisdom and teaches others to be loving and kind. A New Year's Eve Spring in Winter fairy tale wedding, a picnic, pie and crime with puns delights the reader in *A Courtship for Clover*. In this fun boxed set six astounding authors weave diverse settings and characters with the common thread of picnics and promises. Page turning stories with a message that also put a smile on your face and a song in your heart.

A great collection of stories. Jan elder did another great job with *Moosed Opportunities*. I have enjoyed the other too. It's so nice to have a set of books that I can read when my grandchildren are around.

ZARA'S FOLLY by CLARE REVELL I could not help but fall in love with it since it has my favorite people in it. Disable children have a special place in my heart I miss working with them every day.

A POCKETFUL OF WISHES by MARY MANNERS first love is always special and you remember that person your whole life.

SWEET DELIGHTS by CECELIA DOWDY broken Hearts can they be mended.

IMPERFECTLY PROVERBS 31 by AUTUMN MACARTHUR seems everything goes wrong so read it and see what happens.

A COURTSHIP FOR CLOVER by MARION UECKERMANN You meet at a wedding is there one for you in your future?

A wonderful set of sweet romances. Six different authors with their sweet romance story. *Moosed Opportunities* By Jan Elder My Review - My first time reading anything by Jan. I really enjoyed the novella. Rev. Samantha Evans has her hands full with the moose and a man she loves and lets throw in a ex wife putting her two cents in. Eric is trying to help her out by making plans for their wedding, but being a ranger he to is on the run. Will this wedding ever come together? Get this box set and find out! Loved her writing and the characters are great. *Zara's Folly* by Clare Revell. My Review- Zara Michaels works for her father. He uses her to buy properties up. Only this time Zara has had enough. But if she doesn't do what he wants she will lose something that is very important to her. The property is owned by TJ Greggson and his brother. Property that's been inherited by from his family. But he co owns with his brother and he is up to something. TJ is into it to help the

disabled. His heart is into what he does can he and Zara figure out how to save the ranch together and Zara not lose what is most important to her? Wonderful novella. Sweet romance. A Pocketful of Wishes by Mary Manners. My Review- Another great novella by Mary Manners. Love her books. Always a sweet inspirational romance. Jenna and Carter have always loved each other from childhood but a job and a move away separates them. With a promise left between them to find each other again. But through all the years of time apart can the promise still hold up? Will that spark between them still be there? A Pocketful of Wishes and hopes and dreams. Love the characters. If you haven't read any of Mary Manners books pick one up and try it you will love it. Sweet delights by Cecelia Dowdy. My review- A new author to me but I enjoyed her novella. I will look into more of her books. Patty Lynn has had a rough time in life. First the break up of her wealthy boyfriend. She would not be excepted by his family cause she is from the other side of the track. So she goes on to end up owning her own business a bakery. Not only is a booming business for her but she has won many awards for her pies. Sam wants to make amends he still loves her and is determined no matter what he wants her back in his life. Can Patty's award winning pie bring them together? There is a special thing in Patty's life she has always wanted can her dream come true? Wonderful sweet romance with great characters. Well written. Imperfectly Proverbs 31 by Autumn Macarthur. My review- Could it be a blog gone bad? Well it just might be happening to Samantha Rose. Posting a homemaking blog thinking only her sister will see it. Not knowing it went viral and a critic picks up on it. Daniel Novak goes on a picnic to see if Samantha is who she says she is or is her homemaking blog just a fake? Getting feelings for her how can he possibly tell her who he is? If he tells her the truth will it end the budding romance? A sweet romance. A Courtship for Clover by Marion Ueckermann. My Review -

This was a great collection of books, each featuring a picnic. I thought all the authors wrote wonderful stories and had great characters. The one thing that slowed me down a little was that two of the stories were set in Great Britain and I am used to "American English". I was trying to choose a favorite, but my favorite was the one I was reading at the time. I loved the stories and this collection and would recommend it. I received a Kindle copy of this book from one of the authors in exchange for my review, but was not required to write a positive review.
