River Days: Exploring The Connecticut River And Its History From Source To Sea

Synopsis

"As a boy, I had the Huck Finn dream that many do of letting the river carry me to adventure." Now some 30 years later accomplished outdoor writer Michael Tougas lives that dream. Trading Huck Finn's log raft for canoe and kayak, Tougas journeys the length of the Connecticut River - from its source near the Canadian border through four New England states to where it meets the sea in Connecticut. Recently designated an American Heritage River, the Connecticut provides the perfect setting for Tougas' narrative - a wonderful blend of adventure, fishing tales, history, and natural history.

Recently designated an American Heritage River, the Connecticut provides the perfect setting for Tougas' narrative - a wonderful blend of adventure, fishing tales, history, and natural history. (6 x 9, 192 pages, b&w photos, maps)

This is a great read which should be of interest to several audiences:-- If you're paddling/touring along the Connecticut River in NH/VT.-- If you're car camping or inn hopping along the

Connecticut.-- If you're thinking about river running part or all of the Connecticut.-- If you're interested in fishing along the Connecticut.Author travels the Connecticut River from source to sea mostly by canoe, some kayak segments and a few powerboat trips. This is not a continuous river trip -- he does it in segments over time, but he does indeed cover essentially the entire river.If you're planning a trip on the Connecticut this will inspire you and it serves as a good companion to the Connecticut River Boating Guide:The Connecticut River Boating Guide, 3rd: Source to Sea (Falcon Guide)

Not done reading it.
