# The Rock History Reader

## Synopsis

The Rock History Reader is an eclectic compilation of readings that tells the history of rock as it has been received and explained as a social and musical practice throughout its six decade history. The readings range from the vivid autobiographical accounts of such rock icons as Ronnie Spector and David Lee Roth to the writings of noted rock critics like Lester Bangs and Chuck Klosterman. It also includes a variety of selections from media critics, musicologists, fanzine writers, legal experts, sociologists and prominent political figures. Many entries also deal specifically with distinctive styles such as Motown, punk, disco, grunge, rap and indie rock. Each entry includes headnotes, which place it in its historical context. This second edition includes new readings on the early years of rhythm & blues and rock 'n' roll, as well as entries on payola, mods, the rise of FM rock, progressive rock and the PMRC congressional hearings. In addition, there is a wealth of new material on the 2000s that explores such relatively recent developments as emo, mash ups, the explosion of internet culture and new media, and iconic figures like Radiohead and Lady Gaga. With numerous readings that delve into the often explosive issues surrounding censorship, copyright, race relations, feminism, youth subcultures, and the meaning of musical value, The Rock History Reader continues to appeal to scholars and students from a variety of disciplines.

## Book Information

Paperback: 416 pages

Publisher: Routledge; 2 edition (September 19, 2012)

Language: English

ISBN-10: 0415892139

ISBN-13: 978-0415892131

Product Dimensions: 7 x 0.9 x 10 inches

## Customer Reviews

"Cateforis (Syracuse Univ.) collected an exemplary variety of essays for this edition. He orders the nearly 70 entries chronologically, in so doing creating a definable flow that tells the history of rock 'n'

roll as an evolving art. Summing up: Highly Recommended" - D. V. Moskowitz, University of South Dakota in CHOICE

Theo Cateforis is Associate Professor of Music History and Cultures in the Department of Art and Music Histories at Syracuse University, where he specializes in American music and popular music studies. He is the author of *Are We Not New Wave?: Modern Pop at the Turn of the 1980s* (2011).

Just as described. Very fast shipping

excellent copy new and everything . everything i expected, although it was for school it is still very interesting and i love to read it for class

As expected. Interesting read!
