Customer Reviews

Grade 6-9 Marley's influence on music has spread since his death, and the distinctive reggae beat can be heard now nearly everywhere in the world. This simple narrative will give readers an outline of his brief life, although the lack of a bibliography, index or discography, occasional misinformation ("At that time mid-1960s all young American men has to spend two or three years learning to be soldiers") and a number of irrelevant illustrations (all bland pen-and-ink sketches) may limit its use. Marley's Rastafarian religion and its belief in the Biblical injunction to smoke marijuana are mentioned. Consider buying as a starter volume; the discussion of Marley's life and music doesn't look deeply, but it does glance at the social, religious and political themes that inspired him. John Peters, New York Public Library Copyright 1986 Reed Business Information, Inc. --This text refers to an out of print or unavailable edition of this title.
