#### Customer Reviews

Simple and to the point regarding prayer. Very insightful and a must read for every christian struggling with prayer.

Was not a what was expected

**ENJOYABLE** 

Very enlightening but could be more specific and about hindrances and how to delete them. Specific prayerfully be great also.

This is a great book, well written and very inspiration. I recommend that all church and Christians should read this.

Mispelled words. Reminds you of one of those religious pamphlets. I thought it would be more philosophical

A small guide to help you with organizing how to pray.

Thanks this books has opened my spiritual eyes, i now know that i am already blessed and that God is more than ready to answer my prayer
